PRESS RELEASE

Berlin, 5th November 2019

TANZPAKT Stadt-Land-Bund CONGRATULATES...

explore dance - Netzwerk Tanz für junges Publikum, a *TANZPAKT Stadt-Land-Bund* project, which is to receive the **FAUST Perspective Award 2019** on 9th November in Kassel.

The presentation of the 2019 Perspective Award, part of the German Theatre Prize DER FAUST, to *explore dance - Netzwerk Tanz für junges Publikum* (Dance for Young Audiences Network) at Staatstheater Kassel on 9th November will honour the project as a future-looking, cultural-political initiative. *explore dance* has been funded by *TANZPAKT Stadt-Land-Bund* since 2018 and is exemplary in many ways. Three partner institutions (fabrik moves Potsdam, Focus Dance / Dance and Schools Munich, and K3-Centre for Choreography | Dance Plan Hamburg at Kampnagel) from three cities in three federal states have come together to develop a sustainable structure for the production of contemporary dance works for young audiences. The concept convinced the *TANZPAKT Stadt-Land-Bund* jury from the start, and after just a short period of time in operation it is already attracting national attention for its formats and dance productions.

The team from *TANZPAKT Stadt-Land-Bund* would like to congratulate everyone involved in *explore dance* and wish them continued success with the project.

The funding programme *TANZPAKT Stadt-Land-Bund* (DANCE PACT Local-Regional-National) for the promotion of excellence in dance is aimed at established artists, ensembles and production structures with an international reach. The programme also addresses institutions that are developing nationally innovative and outstanding development concepts. The aim is to realise substantial projects that contribute to the further development, consolidation and profiling of dance in Germany at both the artistic and structural level.
